 - a. **On our Web Page-** The New Mexico Regional Education Cooperatives Association is dedicated to fostering partnerships within the organization and supporting member RECs and their directors. This commitment enables RECs to provide efficient and effective educational and health-related services, educational leadership, and professional development throughout the state. Working together results in successful entrepreneurial activities and financial solvency. We envision a system of regional and statewide collaboration that ensures that all New Mexico children, families, schools, and communities receive high quality and comprehensive educational and health-related services.
 - b. **Letter** - Vision: Our vision is to create a statewide learning collaborative focused on supporting an effective education support system for ALL kids in New Mexico that focuses on EQUITY of ACCESS. The 10 Regional Education Cooperatives serve over 75% of school districts in NM. Mission: We will collaboratively link state, federal, and regional education initiatives to improve outcomes for all students.
 - c. Desired Outcomes: Appropriated funding to each Regional Education Cooperative to provide: Effective, Efficient, and Equitable use of funds to support systemic delivery and support of state and federal initiatives; with specific emphasis on culture, language, at risk students and those with disabilities. Braid initiatives from all NM PED departments to deliver a message of support and consistency; and, Provide regional professional development, in alignment with local, state and federal initiatives that are timely, consistent, and on-going so that internal capacity is developed and sustained in every district.
