

New Mexico First Virtual Transition Summit

Promoting and supporting children's school readiness requires intentional collaboration and strong partnerships across the prenatal to five early childhood program and services. Together, we can ensure that all New Mexico children have access to quality early childhood experiences that support their health, development, education, and overall wellbeing.

The Early Childhood Education and Care Department's New Mexico Head Start State Collaboration Office, Family Infant Toddler (FIT) Program, Families FIRST, NM PreK, Home Visiting, and Child Care program, in collaboration with the Public Education Department's Education for Homeless Children and Youth, and Special Education Division, and the New Mexico Head Start Association are hosting New Mexico's first prenatal to kindergarten transition summit.

The summit is intended for:

- Head Start and Early Head Start Directors, Enrollment Specialists, and Disabilities and Mental Health Coordinators
- NM PreK Coordinators
- Tribal Education Directors
- Child Care Directors and Owners
- Early Care and Education Coaches and Consultants
- Home Visiting Program Managers
- Families FIRST Nurse Coordinators
- McKinney Vento Homeless Liaisons
- FIT-Family Service Coordinators
- Special Education Directors
- Kindergarten Educators
